

Fast, easy and affordable online access to practical guidance, cases and legislation for private client lawyers

Lexis®PSL
Private Client

Lexis®PSL

Designed for the cost-conscious time-pressed lawyer,
LexisPSL allows you to get on with the real practice of law.

Through one easy-to-use website, LexisPSL provides you with all the practical guidance, Butterworths commentary, cases, consolidated legislation, forms and precedents you need to practise private client law more efficiently and confidently.

Built on the heritage of Butterworths, Tolley and the collective knowledge of hundreds of our lawyers and authors, LexisPSL helps you free up fee-earning time to get on with the practice of private client law.

Speed up and simplify your practice of law

Developed by expert lawyers from firms like yours, LexisPSL gives you the guidance, forms and precedents for the matters you are dealing with enabling you to:

- Increase profit potential by taking on more revenue-generating work across a greater variety of matters
- Work more efficiently by getting the guidance you need to address complex legal matters quickly
- Control costs by reducing spend on multiple overlapping sources of legal information
- Keep up to date by receiving daily or weekly updates – our service is constantly updated to reflect changes arising from case law or legislation
- Meet your deadlines by completing work more quickly and delivering within agreed timescales
- Reduce risk by ensuring you are more confident in the accuracy of your advice

Unique coverage that no other provider can deliver

LexisPSL delivers practical guidance plus cases, legislation and analysis that other providers simply cannot provide.

Built by lawyers – for lawyers

Our Private Client team has over 43 years PQE and external contributors in practice write for us.

Malcolm Skinner
Solicitor

Malcolm Skinner specialises in Private Client work with particular emphasis on wills and probate. He also has experience of the contentious side of wills and trusts. He has been involved in the law since 1972, training and qualifying in private practice. His experience encompasses dealing with the basic elements of private client to advising HNW clients. He also has experience of dealing with elderly client and mental capacity issues and acting for charitable and ecclesiastical organisations.

Butterworths Private Client Publications

Available online, in print and as e-books, to complement Lexis®PSL

Williams on Wills (Ninth Edition Set)

Considered to be the definitive practitioner textbook on this area of the law, this book covers every aspect of the modern law on wills. Williams on Wills is recognised internationally as being a leading authority and contains an extensive collection of accessible and useful precedents, covering both complete wills and individual clauses used in wills.

Butterworths Wills, Probate and Administration Service

A single comprehensive reference service, complete with commentary and advice from leading experts, worked examples and the text of all relevant statutory materials, this work contains step-by-step guidance on all areas of probate and administration law and practice, combining narrative text with precedents and source materials.

Underhill and Hayton Law of Trusts and Trustees (18th Edition)

Take advantage of the expert commentary contained in this title and minimise the time and effort involved in research, whilst protecting your reputation. This major work covers many of the important developments in laws relating to trusts and trustees and forecasts likely future developments. Its coverage is comprehensive and it is edited by a leading authority on trusts, making this the definitive reference work.

Kelly's Legal Precedents 20th Edition

Formerly known as Kelly's Draftsman, this unrivalled practical research and drafting tool provides a unique collection of the main forms and precedents practitioners are likely to need in their day-to-day practice. Kelly's covers a broad range of subjects in depth.

Tristram and Coote's Probate Practice (31st Edition)

Essential reading for all practitioners and extensively referred to by the Probate Registries, Tristram and Coote's Probate Practice is the definitive work on probate including text written by a team of experts drawn from the judiciary, probate registry and the Capital Taxes Office and is fully updated. This title provides up-to-date, expert guidance on all aspects of probate procedure and is accompanied by a CD-ROM.

LexisPSL is part of the **Lexis® Legal Intelligence** suite, the power behind more profitable practice.

→ **Lexis®Library**

The industry's most extensive and authoritative source of essential legal information. Offering you a single point of access to thousands of trusted legal, regulatory and business sources including Butterworths, Tolley's and Halsbury's, LexisLibrary is your one source for legal research.

→ **Lexis®Learning**

Maintain your legal edge with training designed for time-pressed lawyers. Conferences, seminars and online training help you gain CPD points in a way that fits your schedule.

→ **Lexis®Applications**

Manage and use information more effectively. LexisApplications, such as LexisCheck and LexisSmart, help your work to be more efficient and more accurate. LexisCheck reviews legal citations in your documents or web pages, flagging any that may be out of date or unreliable. LexisSmart takes the work out of form-filling and drafting, helping you turn transactional work around faster.

Support

We offer you the choice of two customer helpdesks: a Content Support Team, open 24 hours, 7 days a week; and a Technical Support Desk, to answer your technical queries.

The LexisNexis Technical Support Desk is committed to providing you with a world class customer experience. Our aim is to supply reliable, accurate and timely information with minimum fuss to eliminate disruptions and ensure you gain maximum performance from our products.

Our Content Support Team are available to help you get the most out of our products and services. They also offer assistance on our services' functionality, such as document delivery and creating alerts.
